Established 1910

Welcome

A Message from the Chairperson

Since it's founding in 1989, Leixlip Festival has weathered many a storm. But in the last year it faced its most difficult time – the financial crisis has reached Leixlip with full force and the Festival, like other Voluntary groups, found itself with difficult decisions to make, will we or won't we go ahead, after many discussions, and meetings with our main sponsors, a decision was reached to continue with Leixlip Festival. The fact that such a Community Festival is going on is no feat to be taken for granted. First and foremost, a big thank-you needs to be extended to the inhabitants of Leixlip who have actively been supporting the Festival over the years.

We are very proud to be celebrating this year our 22nd Festival, the Festival Committee have been hard at work over the last number of months to bring you an unbeatable line-up of festival events, you will see this from the programme we have organised for you. Street Entertainment – Live Music – Fireworks – etc.etc.etc. See our Festival Programme or visit our website www.leixlipfestival.com for full listing of all events. The response from the public and the press is exceptionally encouraging. There is a huge amount of evening entertainment organised by local hostelrys for the older clientele.

Without generous Sponsors no Festival would proceed, so I thank our Sponsors **Hewlett Packard, Intel, Hanigan Holdings, Leixlip Town Council, Courtyard Hotel and local business**, we are very appreciative of the support we receive from those businesses.

To the Festival Committee, thank you for the selfless time they donate to organising this event for Leixlip. To the young men and women and not so young who have also given of their time to act as Festival Stewards. The Gardai who are a huge support to us at this time, and to all volunteers a big thank you for making this event happen.

As soon as the Festival ends we will start working on the Leixlip Christmas Lights and we are looking forward to your support also in this venture.

As Chairman, Thanks to everyone who has worked to make the Festival programme such a success, I wish you a happy and safe weekend. And I trust you will enjoy it.
